

Homework 3, due Monday 29 September.

1. (15 points) Adjust your proposed changes to a Wikipedia page, based on my comments on your homework 2. Edit the **discussion** page associated to the Wikipedia page with a description of your proposed changes and your rationale. Print the portion of the discussion page with your proposal.
2. (20 points) Do this problem as a Good Problem, paying attention to the *Logic* handout. Section 2.1 problem 12.
3. (15 points) Section 2.2 problem 16.
4. (20 points)
 - (a) Section 2.2 problem 9. (Correction: it should refer to Exercise 12 of Section 2.1, which you did above.) (Hint: look at problem 20.)
 - (b) Section 2.2 problem 20. (Hint: look at problem 19.)
5. (15 points) Section 2.3 problem 6 parts a and b. You can use MATLAB to do the arithmetic if you like.
6. (15 points) Section 2.3 problem 8 parts a and b. You can use MATLAB to do the arithmetic if you like.
