Comments Report

5. Open Response

^{5.1)} What do you consider to be the greatest **STRENGTH** of the **INSTRUCTOR**?

The instructor gives explanations that make difficult topics easier to understand. Also, he is frequently available to meet outside of class, which is helpful.

- ^{5.3)} What do you consider to be the greatest **STRENGTH** of the **COURSE**? (texts, content, etc.)?
- Having a textbook for this course was extremely helpful.
- I like this class

⁵⁴⁾ What do you consider to be the greatest **WEAKNESS** of the **COURSE**? Suggestions for improvement?

- A lot of homework
- I find that I do not learn best from my peers (who are also struggling with the material) day in and day out. I think a few such presentations would be a welcome change of pace, but having the course consist purely of such presentations takes away from the learning I feel I could have done if the instructor had presented more regularly.
- Too little in each section, with a requirement to stretch it over too much time. Perhaps reduce presentation time or increase number/length of sections to cover.
